Consent to Treatment of a Minor When Parents/Guardians Are Temporarily Unavailable

The undersigned parent or legal guardian of _____
(Child's Name)
consent to treatment of the child, including, but not limited to, emergency, x-ray, anesthetic, labs,
vaccines/injections, referrals or surgical services when I am not immediately available in person, or by a telephone
call to _____ (Phone Number).

It is understood that this consent is given in advance of any specific diagnosis or treatment and allows the
physician/provider to diagnose and treat the child even when the parent or guardian is not present.
