

Stay on track with our home delivery pharmacy service

You can skip the pharmacy and have your prescription drugs delivered to your home. Delivery is designed for drugs you take regularly, such as for high blood pressure or diabetes.

With home delivery pharmacy service, you can:

 **Save money.** Drug supplies of 90 or 100 days come with free standard shipping and often cost less than 30-day supplies.

 **Avoid pharmacy trips.** Your drugs come to you. First-time orders take about two weeks. Refills take 3 to 5 days, and you can even set up automatic refills.

 **Stay on track with your medication.** You are less likely to miss a dose with more medication on hand.

Three ways to start home delivery:

1. Sign up online at www.anthem.com/account-login or with our Sydney Health app. From our website, log in and then go to the *Pharmacy* page.
2. Ask your provider to send your prescriptions to us for home delivery.
3. Call Pharmacy Member Services at the number on your member ID card.
